Description

The only service of its kind, Sollis Health is a members-only 24/7 medical concierge service with state-of-the-art centers in New York, Los Angeles, the Hamptons, Miami/ Palm Beach and soon San Francisco. Sollis makes medical care seamless with its staff of ER physicians, on-site labs and advanced imaging equipment. Its concierge services include house calls, virtual visits, specialist access, travel medicine, care coordination and patient advocacy. Whether it's an emergency, a simple complaint, or anything in between, members can have the peace of mind that Sollis there for them, day or night—in a serene and private setting, with no appointment and no wait.

Use case

If you cut your hand making dinner, Sollis can stitch it up. If you hurt your ankle and need an X-ray at 3am, we'll do it right away. Sollis Health isn't just for emergencies and can be used for any medical needs. Like having a doctor in the family, whether you simply wake up feeling unwell or need an extra boost

of vitamins, give us a call and we can provide immediate support via telemedicine, you can visit any of our centers or even arrange for a physician to visit your home via house-call. And when you need care beyond our center, we have VIP relationships with the best specialists and hospitals in New York, Los Angeles and around the globe, so we can facilitate immediate care from the absolute best.
